Old Business – The fun fly has been confirmed for October 14th. We'll decide which events we'll have and other specifics at the September meeting.

Al brought the id cards he made for everyone and they came out very nice. He is still missing pictures for a few members. If you haven't had your picture taken by Al, give him a call and let him know when you'll be at the field so you can get your id card made.

New Business – Park ranger Skip Jacobs attended the meeting this month to thank us for the work we did at the field day to add the colorful perimeter fence for safety purposes. We also let him know that we're in the process of getting id cards for the members.

Next Meeting:

The next meeting of the Spillway Radio Control Club will be Thursday, September 15th at 7:30 PM. at the P.A.C.E. 750 Union Hall in Norco, LA at 601 Good Hope Street.

For **Plane of the Month**, Jim Schiff brought in a homemade park flyer that he made from insulation. The unique plane is also doubles as a boat. He says it handles nicely and he is in the process of making a few more. If you're interested in how to make these inexpensive planes, give him a call.

Minutes:

Nathan called the meeting to order at 7:30 PM.

Treasurer's Report – Loren reports that we have \$1079.41.

For **Tip of the Month**, Nathan strongly suggests that members don't try to tune the needle valve from the front of the airplane during startup. It only takes a second to walk around the prop to tune it.

5019 Veterans Boulevard
Metairie, LA 70006

*The SRCC would like to thank Hobby Hut
for helping to provide our door prizes
for each meeting.*

**The SRCC thanks the PACE
Union for allowing us the use
of their hall for meetings.**

Members please be courteous
and pick up trash and straighten
chairs after each meeting.
