NEXT MEETING:

The next meeting of the Spillway Radio Control Club will be December 14, 2000 at 7:30 PM at the O.C.A.W. Union Hall in Norco. Hope to see you there.

OLD BUSINESS:

Minutes and treasury reports were read and accepted by the member present.

LOOKING FOR FUEL?

Many people have asked me where to get fuel. We will be going the Gary Sharbonno's place of business. Here are the directions as I understand them. Go to Bambridge behind the airport, go 6 blocks to 24th street and turn right go 5 blocks to Augusta Street. Turn left on Augusta and, it is the large blue building at 2311 Augusta St. You will need to knock on the door and his secretary will help you. If you need more instructions I am sure Gary will give them to you just call him at 887-8377.

Grass cutter, Martin Berious was given his last check for the last cut in October. The Proposed meeting has not happened. Here are the facts we have paid him \$1800 at \$150 per month this year total 31 cuts comes to \$58.00 per cut. There was confusion about when we started in March did we start on the 1st or the 15th.

Some of the ideas were for 12 months would be \$150 per month at \$1800.00 year and put into a written contract. Cut every week on Thursday or before Saturday. Cut every week April through October 2 cuts in November and December and 1 in January. Cut the east fringe every other week, cut the runway only during the winter, pay on a by month cut basis and leave it open to members to cut by contract
 Member Fred Wolf offered to cut the grass for \$50.00 per cut. It was voted on and approved by members present.

NOMINATIONS FOR OFFICERS:

President: Gary Sharbonno

Vice President: Bill Pike

Treasury: Loren said he would stay.

Secretary: Gary Perkins

We will be voting them in at the December meeting.

Jason Sharbonno has said yes he will help us with a club web site if he can do it his own way with pictures. What do you want to see? What would be the cost to maintain it? Jason volunteers his time to maintain it. Thank you Jason!

New Business:

In coming Secretary Greg Perkins took notes for the last meeting. Thank you for your help.

Jon Stevenson wrote a check for fuel that turned up nsf. At this time no one knows how to contact him because his mothers phone has been disconnected. Loren suggested that if her comes back to renew we ask what his intentions are. (Bill Pike picked up the case of fuel.)

Prospective new member David Hillary was given an AMA application so he will soon be involved with us. Let's help him to feel welcome.

There are 37 members at this time.

The only business to be done at the next meeting will be the elections and the web site discussion.
