John Violette

Dutch O'Neal III

Nathan Bivalacqua

Barry Bleakley

Bret Perilloux

## Christmas Meeting 2006 – Airline motors

The December 2006 meeting was held at the Airline Motors restaurant banquet room and everyone had a good time. Everyone ate well and we even had a little time for a quick meeting.

**New Business** – We observed a moment of silence for Carl Cleveland who had passed away back in July.

The new year is rapidly approaching so make sure you renew your AMA membership for the next year. Also remember to look into the AMA's Introductory Pilot Program which will allow a non-AMA member to fly at our field with AMA liability coverage as long as he/she is flying under the direct supervision of a Introductory Pilot Instructor. Also remember that the Spillway dues must be paid in full by the last day of February.

Barry has reassessed the costs for cutting the grass this year and has asked the club for a \$5 increase from this past year due to rising gas prices. No one at the meeting had a problem with this, however, it was determined that we would let the club vote at the January meeting.

The club would like to thank John Violette who donated two voltmeters as door prizes at the December meeting. We would also like to thank all the members for making 2006 a great year and look forward to making 2007 even better.

It was confirmed at the December meeting that the 2006 club officers will retain their positions throughout 2007.
