Next Meeting:

The next meeting of the Spillway Radio Control Club will be Thursday, February 8th at 7:30 PM. at the P.A.C.E. 750 Union Hall in Norco, LA at 601 Good Hope Street.

Minutes:

Nathan called the meeting to order at 7:30 PM.

New Business – Barry made a request that the grass cutting fee be increased by \$5.00 to cover additional fuel expenses. The club discussed and overwhelmingly agreed that this is necessary for the upcoming year.

The club also discussed possible ways to meet our budget for this year. We ask that everyone think of a few dollar saving options to be brought to the next meeting so we can have more discussion and we'll put to top options to a vote. Some initial options are:

- Raise the field maintenance fee from \$75 to \$85.
- Stop having door prizes at the club meetings.
- Raise the club fuel prices from \$10/gallon to \$12/gallon.

Also as a reminder, the last date for dues to be paid for the 2007 year will be at the March meeting.

The club passed a vote to purchase weed and feed for the field.

We also discussed that grass cutting takes precedence over flying. In other words, when Barry and his son-in-law are out cutting the field, they have the right of way over flying.

We also have to keep an eye on the level of the river. It has been fairly high for a couple of weeks now and it hasn't receded much since.

Also as a reminder – Make sure that you get you AMA renewed for the new year.

5029 Veterans Boulevard
Metairie, LA 70006

The SRCC would like to thank Hobby Hut for helping to provide our door prizes for each meeting.

The SRCC thanks the PACE Union for allowing us the use of their hall for meetings.

Members please be courteous and pick up trash and straighten chairs after each meeting.
