currently predict that we will have 30-35 members for the 2007 year and Loren suggests that we increase the yearly dues by \$5 to cover the additional expenses and based on the total number of members paid by the April meeting, verify that collected grass-cutting fees are sufficient for the year. The May 10th meeting will now be the membership drop date for non-paid 2006 members.

New Business – Based on the budget Loren created, it was suggested that the grass-cutting fee will be increased to \$70.

The Club voted and passed a measure that will increase the cost of club fuel to \$13.

Garland made a motion to change the club constitution and by-laws to increase the club membership dues by \$5 and have it applied retroactively to January 1, 2007. The vote will be held at the April meeting.

Loren made a motion to remove a line of the constitution and by-laws that refers to a cap of the grass-cutting fees. The line that is to be removed states: "The total Club grass cutting assessment is capped at \$1600.00 per year unless increased by a vote of the membership for the upcoming year." The vote will be held at the April meeting.

The Club would like to congratulate Skip Jacobs and Mike Schexnaydre for completing their first solo flight this month.

Next Meeting:

The next meeting of the Spillway Radio Control Club will be Thursday, April 12th at 7:30 PM. at the P.A.C.E. 750 Union Hall in Norco, LA at 601 Good Hope Street.

Minutes:

Nathan called the meeting (outside) to order at 7:30 PM.

Old Business – Loren presented a detailed proposed 2007 operating budget for the club. It stated that our non-grass cutting fees were 32% of total costs for last year and to cover those costs, it would take 40 members at the current club rate. We
