Secretary:

Al is in the progress of creating a club frequency list, if you have not done so already please send him your radio frequency information.

New Business – The level of the river was a big topic at the last meeting. The road through the spillway will close sometime in the near future. Skip has removed all of our benches from the field and stored them in a safe place. CCRCC has graciously allowed us to use their field. Please look over there attached rules and regulations. We also had some information brought about the South Eastern Model Show which takes place one a year in Georgia. For more info visit there web site at www.gamarc.com/georgia or contact Norm Deputy at (478)328-2689.

For **Model of the Month**, Andy brought in a beautiful Cermark Models F-16 powered by a O.S 91. The model featured a fiberglass fuselage with built up wings, air retracts, brakes and a top speed around 130mph. Paul Perret brought an Extreme Flight Extra. The model was electric powered and had an approx. flight weight of 5 pounds. The model was comparable in size to a 60cc nitro model. Skip Jacobs brought in a Sig wonder powered by an O.S. 20 that was built by Andy. The model is covered in econocote and was referred to as a 100mph rocket. Jim brought in a neat scratch built EPP foam plane. He sells the planes for \$30.00. Unfortunately we didn't have a camera so we were not able to take pictures. Hope to see everyone at the next meeting.

Next Meeting:

The next meeting of the Spillway Radio Control Club will be Thursday, April 10th at 7:30 PM. at the P.A.C.E. 750 Union Hall in Norco, LA at 601 Good Hope Street.

Minutes:

Cary called the meeting to order at 7:30 PM. Loren gave the Treasurer's Report shortly after. Our records show that the club currently has \$4,320.92. Cary read the minutes from the previous meeting.

Old Business – The secretary position is still open, If anyone is interested please let one of the club officers know. March was the last meeting for dues to be paid unless you have some previous arraignments with Loren.

The SRCC would like to thank Hobby Hut for helping to provide our door prizes for each meeting.

The SRCC thanks the PACE Union for allowing us the use of their hall for meetings.

Members please be courteous and pick up trash and straighten chairs after each meeting.
