NEXT MEETING:

The next meeting of the Spillway Radio Control Club will be November 9, 2000 at 7:30 PM at the O.C.A.W. Union Hall in Norco. Hope to see you there.

OLD BUSINESS:

Twelve members and three guests were present at the October meeting.

Minutes and treasury reports were read and accepted by the member present.

LOOKING FOR FUEL?

Many people have asked me where to get fuel. We will be going the Gary Sharbonno's place of business. Here are the directions as I understand them. Go to Bambridge behind the airport, go 6 blocks to 24th street and turn right go 5 blocks to Augusta Street. Turn left on Augusta and, it is the large blue building at 2311 Augusta St. You will need to knock on the door and his secretary will help you. If you need more instructions I am sure Gary will give them to you just call him at 887-8377. I will bring a map to the next meeting so anyone who is confused can look on it.

Loren included a note with Barton's last check. Saying that he needed to get together with him and discuss what

he and we would like to do, so we can get things cleared up for next year.

He might want to be paid on a 12-month basis. Loren felt a little uneasy about paying him before he has done any cutting.

Ed Conran suggested we start out contract in April and run until the next April so we are not paying before he cuts.

It was brought up and voted on that we let Loren talk to him about the payments all 12 months and when it would start. It was a unanimous vote that Loren would do this. William Raspess volunteered to be the verifier for the grass cutter. Thank you William!

New Business:

Greg Perkins will apply in December so he can get his plane ready. Let's make him feel welcome at the field when we see him.

I don't know how many of you know Kevin Langly but he has a site where he has taken pictures with his camera mounted on his airplane. Some were taken at our field. kevinlangly.com/rc is his site if you want to look.

John V. came in 3rd at the District III Championship in Baton Rouge. Ed Conran did the calling for him. Congratulations to both of you.

We started taking nominations for officers this is what we have so far:

NOMINATIONS FOR OFFICERS:

President: Gary Sharbonno

Vice President: none

Treasury: Loren said he would stay.

Secretary: Gary Perkins (He will have to apply in November so we can vote him in the club in December so he can run for office.)

ALL 4 POSITIONS ARE STILL OPEN FOR NOMINATIONS. WE NEED YOUR HELP WITH THIS PLUS WE WILL BE DICUSSING THE CHRISTMAS PARTY NEXT MEETING SO **PLEASE** TRY TO BE THERE.

It was discussed that other clubs have sites and had we ever considered having one. Ed C. said that Greg Dornier had put one together but since he is no longer a member we don't know if he still has maintained it. Ed C. said he would talk to him about it.

Also Gary will ask Jason if he would be interesting to help us build one.

All this will be discussed at the next meeting.
