 e-mail keith.c.chasten@mvn02.usacs.army.mil

Meeting October 14, 2004

Nathan called the meeting to order at 7:30.

Loren gave the Treasurer's Report.

Old Business

Joe read the minutes from the previous meeting. Nathan noted that due to Al being out of town we don't have access to his contact for renting earth spreading equipment. Nathan emphasized that we need to do something with the mound of dirt that is sitting adjacent to the runway.

Nathan called for a work detail but it was decided that first we must secure a Bobcat before scheduling the detail. Nathan said he would contact members when the Bobcat is secured. Loren mentioned that we have grass seed that we can spread after leveling the dirt.

We discussed the Fun Fly and reported on the results of the events. Tim was the overall winner. Nathan mentioned that there were two Magics in the top three places.

New Business The November meeting is the meeting to elect officers. Nathan opened the floor for nominations. Barry immediately nominated Nathan for President. Someone also suggested that the rest of the current officers be nominated for next year. All of the current officers agreed to serve for another year. The membership accepted the nomination of the current officers.

There were three new applicants who were given membership forms and were told about the application process. James Clifton, Mark Delcambre, and Glen Vicknair introduced themselves to the membership.

Nathan showed off a model built a number of years ago by his son, Casey. The plane is a Clancy Aviation Speedy Bee. Nathan re-covered the model and rebuilt a number of pieces.

There was a clarification of the rules. Nominations for club officers are made in November and the voting is done in December, so the nominations are still open to anyone who would like to run for office.
