## Next Meeting:

The next meeting of the Spillway Radio Control Club will be Thursday, December 13th at 7:30 PM at the St. Rose Palmettos restaurant. It is located on Airline Hwy near the St. Rose driving range.

## Minutes:

Nathan called the meeting to order at 7:30 PM. Loren delivered the Treasurer's Report.

**Old Business** – The fun fly was discussed at the November meeting. We had tabled the issue last month mainly because there were several key members that would not be able to make an October fun fly. The floor was opened for discussion about a fun fly for this year and there still wasn't much interest to hold a formal fun fly. It was noted that every

weekend this fall has had great member turnout for flying on the weekends. The club decided that we will not spend the money for a fun fly this year just to give us extra funds next year.

The club has had an issue with non-members flying at the field recently and we would like to prevent those people from continuing to fly. This raises a delicate issue with our relationship with the Corps – does the club have the authority to stop someone from flying there. Skip will do some research into the rules of public use.

**New Business** – The December meeting will be held at the St. Rose Palmettos restaurant.

Skip had the Corps install two benches at the field from leftover material from another Corps project at the Spillway. They are very nice and heavy duty. Please let Skip know how much we appreciate everything he's done for us this year.

The club discussed rules for placing frequency pins for spread spectrum radios. It was decided that it will still be required, however, you should place you pin to the side of the board where there are no numbers.

The club had open nominations for club officers this month. Cary was nominated for President and Brett Periloux was nominated for Vice President. The Secretary position was left vacant. If any member would like to accept this position, please come to the December meeting.

We officially end the year 2007 with 44 members.

Just a reminder – all members need to renew their AMA membership and the club dues will be collected at the January and February meetings.

504.885.0804

5010 Veterans Boulevard  
Metairie, LA 70006

*The SRCC would like to thank Hobby Hut  
for helping to provide our door prizes  
for each meeting.*

**The SRCC thanks the United  
Steelworkers Local 750 for  
allowing us the use of their hall  
for meetings.**

Members please be courteous  
and pick up trash and straighten  
chairs after each meeting.
