Fifteen members, one prospective member, and three visitors attended and the September meeting.

The minutes and the treasury report were read and accepted by members present.

FUEL:

There is 32 gallons left in fuel. Lets remember if we need to get fuel before the Fun Fly to talk to Darrell.

Jon S gave us an update on our fun fly coming up.

We will need 5 people to run the event:

1 contest director---Jon S

4 safety people to rotate---volunteers needed

(David B and Loren B have volunteered to help.)

We could possibly use some help with selling cokes and some food. That is still to be decided on next week.

There are still details to be decided on please come help us with your fun fly.
