OLD BUSINESS:

Please excuse the absents of June and July. One was the Boy Scouts Summer Camp and the other was Plant shut-down where I take care of my Mom.

Loren totaled the Spillway R/C Club current funds and has \$3146 as of May. He also sent of the letters to the Spillway showing our insurance and thanks to the PACE Credit Union for the continued use of

the facilities. We got the incorporation form from the state and that has been filed.

We discussed Field Safety Rules. It seems the major offence is taxing in the pit area. It was also observed that visitors must be positioned behind the wire. Cars must be moved 10 feet from the cable after unloading. The pin must be posted on your frequency number with at least your name on it. Started planes pegged down must be carried to the fence for flight. Dales sugested using the mailing lable from your AMA magazine for you pin to be posted.

Mole Cricket treatment ran \$39.00.

Fuel – Bill Smith(8 gal.) and Greg(2 gal.) have cases of 15% each selling for \$10.00 per gallon. If you need any please call and we will bring it to the meeting.

Tina proposed a deal for members to embrodrary the Spillway logo on your shirts for \$7.50. You can supply your own white golf shirt, or she can order the shirts.

Model of the month is a replica of a piper clipper.

Tina was voted in, again...welcome
back.
