Spillway Radio Control Club, Inc.

Model

AMA Chapter #979

Founded 1972

Officers: President: Gary Sharbonno 887-8377
 Vice-president: Bill Pike 885-4838
 Treasurer: Loren Bailey 738-1602
 Secretary: Greg Perkins 651-7841

NEXT MEETING:

The next meeting of the Spillway Radio Control Club Will be February 8, 2001 at 7:30 PM at the O.C.A.W. Union Hall in Norco. Hope to see you there.

OLD BUSINESS:

Minutes and treasury reports were read and accepted by the member present.

Fifteen people present with 1 visitor.

LOOKING FOR FUEL? Many people have asked me where to get fuel. We will be going to Gary Sharbonno's place of business. Here are the directions as I understand them. Go to Bambridge behind the airport, go 6 blocks to 24th street and turn right go 5 blocks to Augusta Street. Turn left on Augusta and, it is the large blue building at 2311 Augusta St. You will need to knock on the door and his secretary will help you. If you need more instructions I am sure Gary will give them to you just call him at 887-8377. I will bring a map to the next meeting so anyone who is confused can look on it.

Kevin Langley has a site where he has taken pictures with his camera mounted on his airplane. Some were taken at our field.

Check it out at www.kevinlangley.com/rc

NEW BUSINESS:

New member Jim Schiff is voted into the club.

Jason Sharbonno updated us on the process of our new web site and informed us it will be www.spillwayrc.com. We need more pictures and ideas of things to put up.

Loren says the cable on the backside needs to be replaced and is 3/16" thick at a length of about 150 feet.

Gary mentioned last July about Diazonal for the mole crickets and with club approval will now

purchase it. He also said cement post sticking up needs to be fixed.

Greg has contacted Royal T's T-Shirt Shop about Screen Printing Spillway R/C Club logo on white Golf Shirts. I am taking orders and have 12 already. The Price of the shirt is \$13.75, 15.26/XXL & 16.00/XXXL. He will air brush your name for an additional \$1.00. There is also an \$18.00 fee for the re-screening. He has the artwork but was to remake the screens as the old ones were discarded.

Gary told us of David Schwartz's flying his brand new 1/3 scale plane. Second day flying... CRASHED his \$1,500 airplane. While flying on the Crescent City Club field a low flying 250 Beachcraft aircraft buzzing over the field while someone was in radio communications with it.

We would also **Caution** the use of cell phones on the field or in the pit area or flight line.

Kevin Langley talked to us about the new IMAC chapter for radio control Aerobatics. Members from La. & Miss., are invited to join, with 4 levels, from basic to TOC. Dues are \$20.00 per year. There will be a workshop with David at the Crescent City Club. Date to announce for the time and location of this meeting.

John Violette talked to us of the pattern flying with Dixie RC Club of Baton Rouge and a possible clinic to help improve the quality of judging.

Bring your model and be voted for Model of the Month and win \$5.00.

Next meeting we hope to have a raffle and a door prize.

Ed Conrad talked of the "Crescent City Club at the Junkyard" that will happen a weekend after the banquet.

We discussed the lowering of fuel price now at \$11.00.

We are looking into a new supply of "Richie's Brew".

REMINDER: DUES ARE DUE IN JANUARY - FEBRUARY- Loren has to re-charter with every ones AMA number, bring your membership cards in Jan-Feb.

For comments, suggestions call Greg Perkins - 651-7841
