OLD BUSINESS:

For the meeting 1/10/01

Treasurer reports \$ 2612.06

Time to renew your membership at \$25.00 due by February and NO later than the March meeting, and a grass cutting fee of \$50.00

Still have some T-shirts to be picked up.

To help with the "Dog people" problem the Ranger will place a no parking sign on the road at the end of the runway.

The AMA did Grant \$800 for the "YES" Grant. The "Youth Education Step-in", is sponsored by the education committee and believes introducing people to the joys of something that will fly. Janet Bailey, teacher from the Country Day School who presented to us the presentation for the AMA education committee-funding group for the project will now lead her students into this new hobby.

Guest can fly with you but you must see there AMA card for them to do so. In order to fly on our field you must have your AMA card with you and clip it or a copy to your frequency number.

Fuel – We still have a few cases of fuel. They are 4 gallons per case. I will bring what is left to the meeting. The fuel is 15%, and now buy popular vote sells for \$10.00.

NEW BUSINESS:

Discussions of reducing the money held by the club resulted in the lowering of the fuel price. We keep a cushion in case of flooding and we want to keep enough to cover this cost. Time to order fuel again. There are only 10 gallons left.

We need some flags again. Marking flags in sun resistant florescent orange.

Discussed making or own caution sign.

New member voted in, Welcome Joe Simon

Membership is now at 31
