NEXT MEETING:

The next meeting of the Spillway Radio Control Club will be January 11, 2001 at 7:30 PM at the O.C.A.W. Union Hall in Norco. Hope to see you there.

OLD BUSINESS:

Minutes and treasury reports were read and accepted by the member present.

Two new members were voted in to the club. Please welcome; David Hillary and Gregory Perkins.

LOOKING FOR FUEL?

Many people have asked me where to get fuel. We will be going to Gary Sharbonno's place of business. Here are the directions as I understand them. Go to Bambridge behind the airport, go 6 blocks to 24th street and turn right go 5 blocks to Augusta Street. Turn left on Augusta and, it is the large blue building at 2311 Augusta St. You will need to knock on the door and his secretary will help you. If you need more instructions I am sure Gary will give them to you just call him at 887-8377. I will bring a map to the next meeting so anyone who is confused can look on it.

I don't know how many of you know Kevin Langly but he has a site where he has taken pictures with his camera mounted on his airplane. Some were taken at our field. www.kevinlangly.com/rc is his site if you want to look.

New Business:

Jim Shib has put in an application for membership, and as an experienced flyer will be a great addition to the club. That brings us up to 38 members.

Jason Sharbonno talked to the club about a web site. Because he worked with an Internet Service Provider (ISP) he will be able to set up a web site at cost. The price for hosting is \$10.00 per month. The price for the site name registration is \$12.00 per year, and is a reserved site address. It can be www.spillway-rc-club.com, .org, or .net; you could register each address at \$12.00. The .com= commercial, .org=organization, and .net=network. Jason will volunteer his time to build the site and maintain it, even after he returns to school. It will include; pictures of all members and airplanes, aerial photographs of our field, it will list upcoming events, have membership applications, a map to the field. It will include a links page that can direct you to other interested sites. Pictures can be scanned and sent to Gary or Jason, or if you physically have pictures, you could give them to me and I could e-mail the scan to Jason.

This is an excellent opportunity due to the fact of how cheap we can get this up and maintained. This is a non-contract or lease, can be stopped at any time. The cost is \$132 per year.

Gary Sharbonno steps up and asks for a commitment, with a vote of no confidence, Gary volunteers to pay the first years dues of \$132 for a .com. This is a valiant effort to establish this web page at a no risk to the members and is voted and accepted. **Thanx**, Gary

We took nominations for officers for the last 2 meetings
NOMINATIONS FOR OFFICERS:

President: Gary Sharbonno

Vice President: Bill Pike
