The AMA did Grant \$800 for the "YES" Grant. The "Youth Education Step-in", is sponsored by the education committee and believes introducing people to the joys of something that will fly. Janet Bailey, teacher from the Country Day School who presented to us the presentation for the AMA education committee-funding group for the project will now lead her students into this new hobby.

To help with the "Dog people" problem the Ranger will place a no parking sign on the road at the end of the runway.

**Fuel** – We still have a supply of fuel. They are 4 gallons per case. Pay the club and we will distribute it to members as requested. The fuel is 15% and sells for \$12.00.
