Minutes: From the January meeting.

Cary Armand called the meeting to order at 7:32pm. Loren Bailey read the treasure's report which stated that the club currently has \$2937.00 in the bank.

Old Business – Dues are due by the March meeting.

The new cable for the fence has been bought and was given to Bill Phelps. If you can help with the installation contact Bill.

Cary Armand talked briefly of the 09 fun fly and asked for any suggestions of a date, it was decided that April 11, 2009 is the tentative date.

Fuel is still available for \$16 a gallon.

Cary Armand is still asking for someone to take over the president position for 2009.

New Business – The mole crickets are back, Bill Phelps still has the lawn treatment and will attempt to apply it during the week weather permitting.

Skip Jacobs talked about the pictures of our field that was used for National Public Lands day and was voted one of the top fives sites. Carey asked about getting the future dates for the next public lands day to get some publicity and participation from the club. Skip also talked about the future office of the Spillway park that will be located near hwy 61 and will have display items from all the organizations involved.

Barry stated that he cannot cut the grass on the west side of the parking lot due to it being too unlevel from when the road repair equipment was staged there.

Skip mentioned that the parish may put a ditch along the road near the parking lot; this would also stop the public from driving on the field.

Al Smith talked about moving the main sign in the parking lot and whether or not this needs to be done when the cable was changed.

Skip also mentioned that the core has some cement slabs that could be used for a parking lot if it is placed correctly. Bill Phelps offered to look at the job and determine if it should be done or not.

Congratulations to Darryl Turner, who was voted in as a new member. An application was received from Ron Landry

Kenny Keating won the 50/50 and the door prize winners were Al Boudreax, Al Smith, Ron Landry, and Gauland Remondet.

Special thanks to John Violette for donating the door prizes.
