OLD BUSINESS:

Fuel – Bill Smith and Greg have cases of 15% each selling for \$10.00 per gallon. If you need any please call and we will bring it to the meeting.

Door prizes are suspended till new attendance is assured.

Al Smith has passed out ID cards to club members to respond to a Ranger challenge at the field, including AMA membership cards.

Loren reported two letters sent; one from the Spillway Club to PACE 750 thanking them for the use of the meeting

hall, second letter to the Army Courps Park Rangers with the proof of insurance Documents.

Loren totaled the Spillway R/C Club current funds and has \$3226 in the account after writing a \$110 check for grass cutting for March (which was sent to Barry today. Only a couple of people owe partial dues at this point thru arrangements made with me.

NEW BUSINESS:

Dale will host a fun-fly considered for June, to be decided in the May meeting, tentative schedule for the 21st of June. Including a taxi event, loop and stall turns, and a limbo. There will be a drawing, and prizes for 1st, 2nd, and 3rd place.

Field/Safety Flying Rules were discussed. It seems the major offence is taxing in the pit area. It was also observed that visitors must be positioned behind the wire. Cars must be moved 10 feet from the cable after unloading. The pin must be posted on your frequency number with at least your name on it. Started planes pegged down must be carried to the fence for flight.

Mole crickets will be treated by Barry with two bags of chemicals.

Tina proposed a deal for members to embrodrary the Spillway logo on your shirts for \$7.50. You can supply your own white golf shirt, or she can order the shirts.

Dudley Rabalais was voted in as a new member, and Tina Praesel has applied for membership to be voted in May.

For comments, suggestions call Greg at
985-651-7841.
