OLD BUSINESS:

Minutes were read from September
Loren reports \$960.21 in treasury.

FUN FLY on December 14, 2003

Fuel – Bill Smith and I have cases of 15% each selling for \$10.00 per gallon. If you need any please call and we will bring it to the meeting.

Dale suggests we suspend door prizes till after the New Year.

NEW BUSINESS:

Main topic of discussion was for the revision of the Safety Flying Rules. Dale came up with 18 items that I have incorporated into the old Administrative and Flying Rules. I propose we discuss these revisions, ratify them or continue to ammend them. Bring you best ideas on safety and we will continue the discussion.

Loren insist that we need some language added to the constitution for the removal of a member by due process.

A discussion was raised on the admittion of helecotor pilots and the rules to prevent them from dominating the field with mulitple pilots.

My efforts are continuing to revise the constition to bring them up the Minimum Standard and Guidelines for AMA Clubs

Next month are nonninations for Club officals. Elections will be held in the December meeting.

Loren expressed a concern of the 24 members we are hoping that the membership does not drop so low that it will not affect the grass cutting fees. Loren will work on a budget for next year.
