Bret Perilloux called the meeting to order at 7:30PM. Few members attended and a quorum was not met. No treasurer's report was read.

**Old Business** – There will not a fun fly on Saturday October 11, 2008 due to the blacktop road being closed for paving. However several members have found access to the field from the back roads.

## New Business –

All members now need to renew there AMA membership.

Please stand behind the safety fence when flying for your protection.

A suggestion was made to move the club meetings in the future maybe to the field, more on this at the next meeting.

Skip volunteered to look into getting a Spillway RC Club flag for the field. This would be flown under the American flag.
