Christmas Meeting 2007– Palmettos Restaurant

The December 2007 meeting was held at the St. Rose Travel Center's Palmettos Restaurant. No formal meeting was held, but we did enjoy the company of the friends and family that support us in our hobby.

The new year is here already and it is that time again to renew your AMA membership. To renew, please call (800) 435-9262 or visit <https://www.modelaircraft.org/joinrenew.aspx>. Also consider becoming an AMA Introductory Pilot Instructor while you are renewing.

Also at the December meeting it was confirmed that Cary Armand will be the club president next year, Bret Perilloux will be vice president and Loren Bailey will retain his Treasurer position another year. The club secretary position is still available for the year and just a reminder that per the club constitution, the club officers are not required to pay membership dues. This newsletter is my last duty as club secretary. These last few years have been fun, but now I'll be busy with a new baby coming soon so I would like to thank my fellow officers and club members for enjoying my hobby with me. I would also thank Nathan for the work he's done over the last few years and seeing the club through some tough times. Until next time – I'll see you at the field.
