PLEASE READ CAREFULLY AND SIGN BELOW:

All members and prospective members must be a member in good standing of the Academy of Model Aeronautics (AMA) and have FAA Small UAS Certification number. Proof of membership should be carried during club activities.

Members must pay annual dues and fees no later than the last day of February. Fees may include annual grass cutting or other charges enacted by the club. Those who do not pay their dues or fees by the date specified will have their membership terminated. Members may be subject to additional duties (such as grass cutting) if they become required to maintain the club and its flying field.

**Costs:**

- Initiation: \$10.00 upon submittal of the Application for Prospective Membership. The Initiation fee is non-refundable.
- Dues: \$120.00 annually, due January 1 and delinquent at the end of February for all members. Dues are non-refundable. Family Members and Junior Members (19 years of age or younger) will be allowed to fly accompanied by a member, these individuals must have current AMA membership. Dues will be prorated quarterly based on date of election.

**AGREEMENT AND UNDERTAKING WITH RESPECT TO  
 INSTRUCTION IN PILOTING RADIO CONTROLLED MODELS**

This agreement is entered this \_\_\_\_ day of \_\_\_\_\_, \_\_\_\_ by and between Spillway Radio Control Club, Inc., a Louisiana Corporation (hereinafter referred to as SRCC) and \_\_\_\_\_ (Hereinafter referred to as member.)

WHEREAS, SRCC has officially designated by action of it's Club officers, certain of its senior members as Instructors, said designation indicating that SRCC reasonably believes said individuals to be proficient in the piloting of radio controlled model aircraft and capable of imparting said knowledge to others, and

WHEREAS, the prospective member intends to join SRCC, or the member, having already joined SRCC, wishing to receive instructions in the piloting of radio controlled model aircraft.

NOW THEREFORE, in consideration of SRCC allowing its designated instructors to teach piloting skills to the member or prospective member and for and in consideration of said member or prospective member receiving, from time to time, such instruction from one or more designated instructors, the following shall constitute the terms and agreements between these parties:

- (1) That the member or prospective member at all times of receipt of said instruction has then maintained in full force and effect a current membership in the Academy of Model Aeronautics and shall abide by all rules and regulations of the Academy in maintaining insurance coverage and obeying all safety instructions.
- (2) That the member or prospective member understands and agrees that he/she assumes all risk with respect to the loss or damage of his/her model and equipment during instruction, whether said loss or damage occurs during his/her control of the model or during the instructor's control and whether such loss or damage occurs as a result of mechanical or electronic failure or "pilot error".
- (3) That the member or prospective member understands and agrees that he/she assumes all risk with respect to damage of property or injury to himself/herself or to any other person or persons resulting from mechanical or electronic failure of any nature or "pilot error" on his/her part or the instructor's part, all of which may cause property damage and/or serious personal injury.
- (4) That the member or prospective member agrees to personally hold-harmless, indemnify and defend the instructor and/or SRCC from any and all claims, suits, cause of action or assertion of liability of any nature whatsoever arising out of or by virtue of any damage, loss or injury as described in paragraph 3, supra and to do so regardless of insurance coverage that may be applicable, and regardless of whether he/she or the instructor are in control of the model at the time.

Entered into at Norco, LA on the day stated above.
